

-February X-

Wow, it's
pretty late,
already.

I had an
Interview
today, so
I didn't go
home until
much later
than usual.

So
today,
I left
school
alone.

The Chill of
WINTER and the
WARMTH of the
HEART

It was
cold and
dark,

And I
was all
alone...

So cold!

Oh!
Kaaa-
gamin!

But just at
the moment
when I was
starting to
get a little
depressed.

Someone I hadn't expected to see appeared. My heart skipped a beat and started racing; it was that just out of simple surprise, or was there another reason...

Kona.....

ta.....!

What do you mean, little bunny...?

bunny

Bluuuush

Wha-...

tremble
tremble

Weeeell, when I imagined a lonely little bunny like you going home all alone at night, I couldn't help feeling sorry for you.

=w=

And I also did it as a surprise.

But, why are you waiting for me outside!?

Wh-what are you doing here? I had an interview, so you said you were going home before me, didn't you?

Just kidding!

...Huh?

Should I
not have
...?

I wanted
to go
home with
you, so I
waited.

ぎん

Sh-shut
up!

Aaah? How
cute, you're
blushing.

!!!

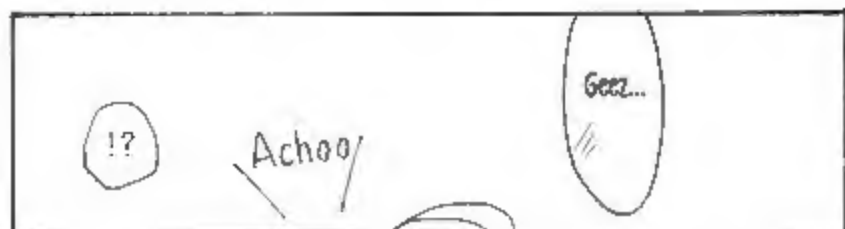

Almost
an hour...

...How long
have you
been
waiting
out here?

Huh!?

You're
so...

!?

Achoo!

Geez...

Waiting
outside
might have
been a
bad idea.

Even if it
was to
surprise
my cute
little wife...

It's...
sooo
cold...

Ah, this is Kagamin's warmth.

What's with that pinpoint accuracy?

It's really warm, but, look, Kagamin, isn't the nape of your neck going to get cold?

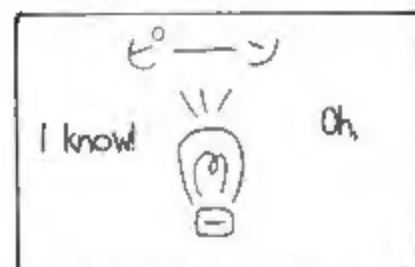

There, is that a little better?

I But, wait!

guilty.

But why do I feel

I know!

Oh

Let's go home, already!

We're good enough friends for you not to have to worry about that, right?

B-but

Look, I don't want you to catch a cold because of me.

Because
you're
just too
cute!!

The-,
then, what
was that...
kiss for?

Well, your
neck looked
cold, so I
thought I'd
warm it up.
I don't want
you to catch
a cold, either!

So, uh,
Kagamin...

Yeah?

Oh, man,
Kagamin,
you're
so cute.

Wh-
Wh-
Wh-
Wh-
Wh-
What
are you
doing!?

...Dummy...
It's on an-
other level
entirely.

What do
you think?
Is Kagamin's
exclusive
Konata muf-
fler warm?
